

Metrodeck

Practical • Professional • Affordable

Metrodeck is the **ideal all-purpose modular staging system** : versatile and smart, strong yet easy to handle - and economical too.

Flat or raked stages, seating tiers or catwalks, a rostrum for a conductor or a plinth for an art display - the **list of possibilities is endless** .

Metrodeck is a **complete system** with a wide range of accessories: handrails, treads, fascias, drapes and fittings to allow you to bring your imagination to life.

Metrodeck is so **easy and safe** to use that soon everyone is handling it with confidence.

Then you'll wonder how you ever survived without it.
