

FLOOD

The Acclaim Flood provides a 90 degrees even wash of light for stage colour washes and display lighting. 200 - 500w. Supplied with four masking barndoors to shape the beam.

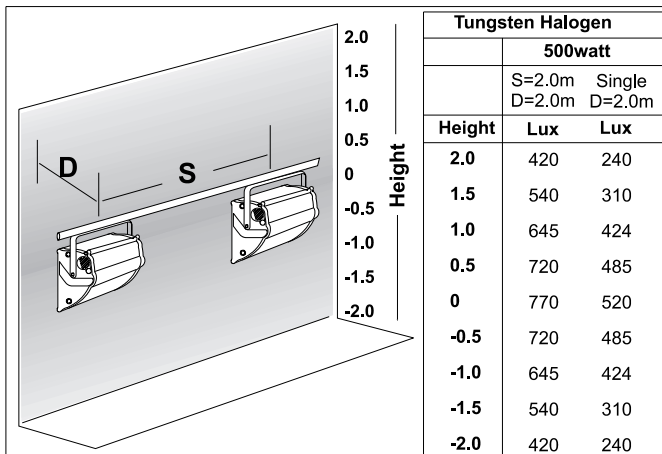

Constructed of Injection moulded Rynite plastic and aluminium extrusion. The Acclaim Cyc offers efficiency, strength and performance.

FEATURES

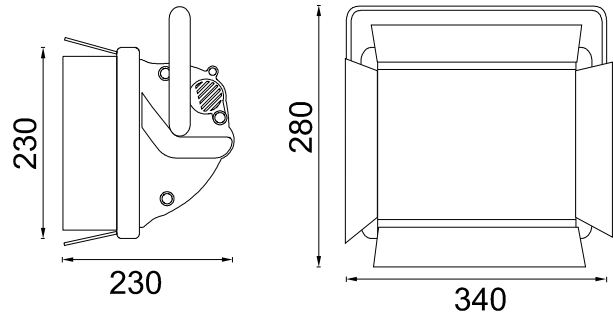

- Smooth, well controlled beam.
- Dual chamber air flow maximises colour filter life.
- 4 Barndoor flaps provided to shape the beam.
- Dismountable colour filter holder. The filter clamp frame doubles as a template to cut the filter to the right size.
- Constructed from aluminium extrusion and plastic injection moulding.
- Can be assembled into multi battens as for the Cyc range.
- Easy and safe access for relamping and cleaning with hinged safety glass which disconnects the mains supply when opened.
- Fully tested and compliant to CE standards.

PHOTOMETRIC DATA

Tests conducted using a standard R7 118mm double-ended linear lamp, 500w, 240v.
