

## PERFORMER MSR FOLLOW-SPOT

The Performer MSR, a purpose designed follow-spot for the mid range market. The Performer MSR is fully featured, has excellent light output and is reasonably priced. Two models, standard (5.5 - 9) and Short throw (10 - 14)

### FEATURES

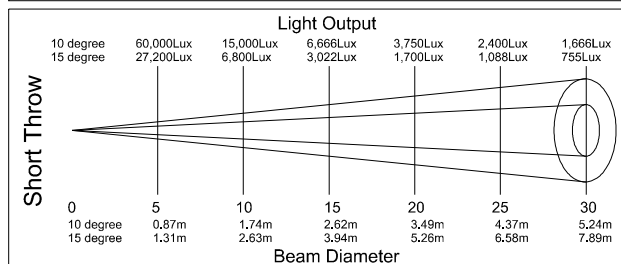

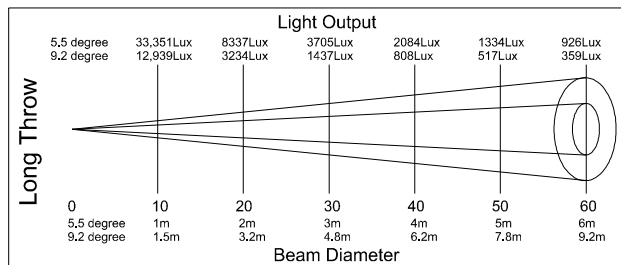

- Fully featured Follow-spot at a reasonable price
- Single action zoom operation
- Strength and rigidity from aluminium extruded chassis which also forms guide handles
- Balance point and guide handles can all be positioned as required along the length of the luminaire
- Operational controls positioned together on top of the Follow-spot, iris, mechanical dowser and cutter. Reference scales are included.
- Half power operation drops light output to 48%. Lamp hour meter is included.
- Left or right side operation.
- Compliant to CE standards
