

PERFORMER

QUARTZ FOLLOW-SPOT

The Performer Quartz is 2500 watt tungsten halogen Followspot designed for venues with a throw distance of 25-30 metres. Aimed at the mid range market, the Performer Quartz is fully featured, has excellent light output and is reasonably priced.

FEATURES

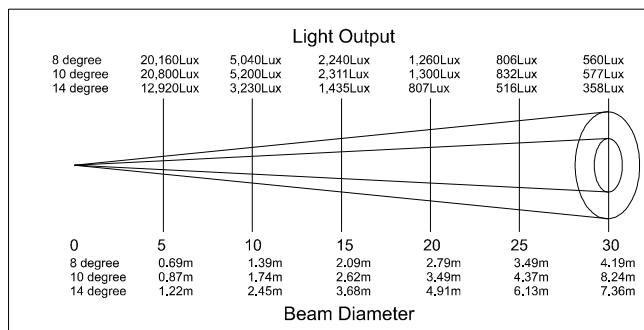

- Fully featured Follow-spot at a reasonable price
- Zoom operation 8 - 14 degrees.
- Strength and rigidity from aluminium extruded chassis which also forms guide handles
- Balance point and guide handles can all be positioned as required along the length of the luminaire
- Operational controls positioned together on top of the Followspot, iris and mechanical dowser.
- 6 way Colour changer available as an accessory
- Follow-spot dimmer module available as an accessory
- Left or right side operation
- Compliant to CE standards
